Céline Tran

Computer Science & Computation Arts student (BCompSc) | Concordia University

(418) -265-7105 | celinetran707@gmail.com | github.com/celinetran07 | Montréal QC

Education

CONCORDIA UNIVERSITY

Montreal, QC | Expected in June 2026

Joint Major in Computer Science and Computation Arts

DAWSON COLLEGE

Montreal, QC | June 2023

Computer Science

- Dean's List for 3 consecutive semesters

ÉCOLE SECONDAIRE ANTOINE-BROSSARD

Brossard, QC | June 2019

High School Diploma

- Completed professional development in Catering Services
- Honourable mentions in all classes

Experience

WEB DEVELOPER INTERN | EVA | APRIL 2023 – JUNE 2023

- Refactored a React Native app during a live framework transition, delivering updated UI components and auth flows on schedule.
- Built front-end screens for web and mobile, achieving consistent cross-device usability across the product.
- Diagnosed and resolved interface bugs through systematic testing, reducing usability issues before final handoff.

ADMINISTRATIVE AGENT | CISSS DE LA MONTÉRÉGIE CENTRE | JANUARY 2021 – JANUARY 2023

- Coordinated on-site administrative operations for a large-scale COVID-19 vaccination campaign, including registration, validation of information, and on-site administrative coordination, contributing to the processing of over 300,000+ doses across multiple sites.
- Trained incoming employees on administrative systems, accelerating onboarding and ensuring procedural compliance.

Technical & Creative Skills

Programming: Java, C, C++, Kotlin, Python, JavaScript
Web & Application Development : React, React Native, Node.js, HTML, CSS, Flask
Databases : MySQL, PostgreSQL, MongoDB, Oracle
Tools & technologies : Git, GitHub, Docker
